Helsinki, Finland

Marja-Liisa Seppälä

# The Finnish RDA team

- The team of the Cataloguing Standard Service of the National Library of Finland
  - <https://www.kiwi.fi/display/Kuvailusaantopalvelu/In+English>
  - Marja-Liisa: the head of the service and the head of the Finnish 3R project
  - Tatja: the training expert
  - Katerina: the agent expert and the head of the agent service
  - Tapani: the music and aggregate expert and the head of the music team of the national bibliography

# Translation process

- Values and elements translated (by the end of September 2019)
- Boilerplate texts and translation tables (by the end of October 2019)
- Element chapters, texts of Guidance and Resources (by the end of February 2020)
- Toolkit interface (by the end of March 2020)
- Release in April 2020 (if there will be a release of RDA Toolkit..)

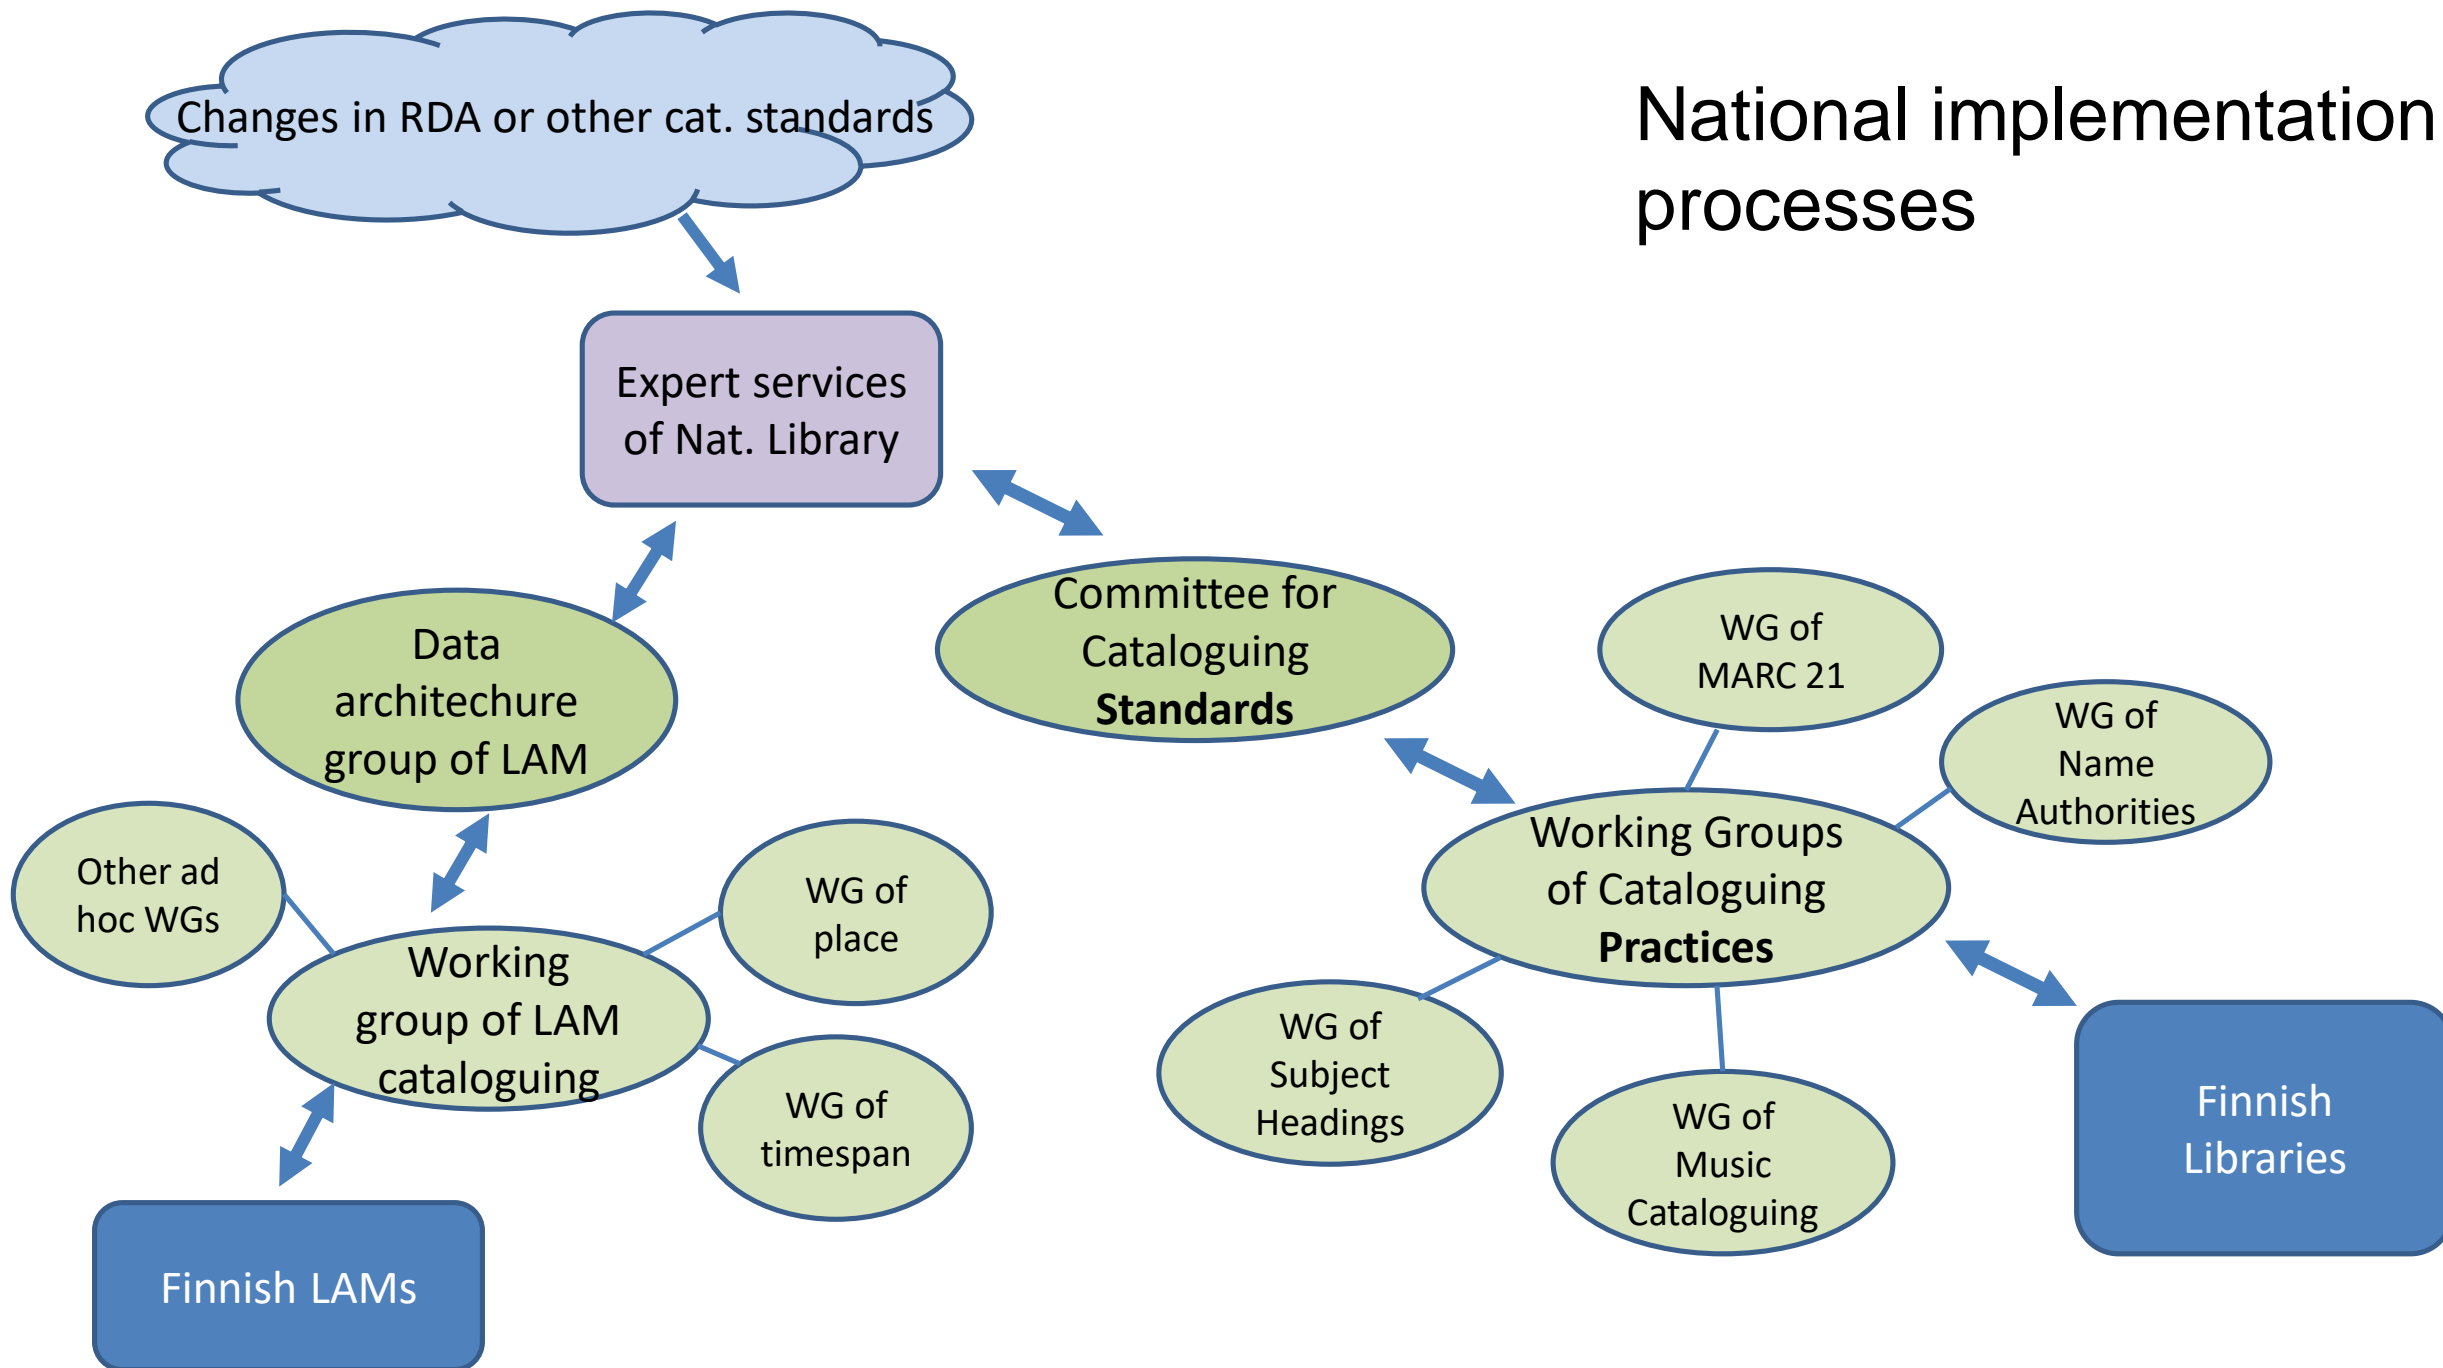

# Policy statements, application profiles etc.

- Lots of new policy statements and updates for the present ones
  - The core ones by the release of April 2020 and the rest by the end of August 2020
- Application profiles, at least for:
  - Place, timespan, nomen
  - Some resources (e.g. aggregates)
  - Cataloguing "levels": core and basic
  - Some of them by the release of April 2020 and the rest by the end of August 2020
- Flowcharts or something else to support the use of Toolkit...???
  - By the end of August 2020 (and for the training sessions)

# Policy statements, application profiles etc. (2)

- The Finnish examples by the end of 2020
- Updating of the MARC 21 based instructions
  - By the end of March 2021
- The national metadata registry
  - At the Finto service: <https://finto.fi/mts/en/>
  - All the terms of the RDA Registry + the national terms
  - The relationship terms of the agent entities at the new RDA Toolkit need human friendly equivalents to the national metadata registry by the end of March 2021
- The national networks of cataloguing have the key role in the process

# National implementation processes

# Training sessions

- Planning in spring 2020
  - New kind of approach...
- Online and face-to-face sessions in autumn 2020 and probably in spring 2021

# Implementation of the new RDA Toolkit

- Hopefully by the exit of the present RDA Toolkit (by the summer 2021?)
- The Cataloguing Standard Service and the national networks of cataloguing can only recommend the implementation as soon as the new RDA Toolkit has been released in Finnish
- Decision of the date of implementation is made by the consortium of each ILS
