
Update from DOAJ

Dom Mitchell, DOAJ Operations Manager
Nordic Open Access Forum 2020
23rd October 2020

Projects overview

- **Increasing diversity of journals in DOAJ**
 - Social science, humanities and arts
 - Strategic partnerships with Finland, Denmark, Sweden, Redalyc and Scielo (Latin America), French-speaking Canada, French-speaking Africa
 - Outreach projects in Northern Africa, Southern Africa, Japan, Korea and China.
- **Increasing the accessibility and usability of the website**
 - Relaunching the entire website
 - Application form
 - Documentation and instructions
 - Metadata
- **Community**
 - Governance: Advisory Board, Council, Editorial subcommittee
 - Building a volunteer community
 - Extending the ambassador network

Plan S

- DOAJ is part of the team building cOAlition S' Journal Checker Tool, with DOAJ's own technical partner Cottage Labs and Open Access Button
- First iteration requires:
 - Journal is indexed in DOAJ - DOAJ
 - Author retains copyright - OAB
 - Content is licensed with CC BY - DOAJ
- Future iterations to implement the other criteria are as yet undetermined
