

Nordic Open Access Forum

Nordic Open Access Forum is a regular meeting for Open Access activists from all Nordic Countries (Denmark, Finland, Iceland, Norway, Sweden). The meetings have been organized since 2012, usually twice a year, either online or in one of the Nordic countries. There is also a Nordic Open Access mailing list.

For further information, please contact Jyrki Ilva, [jyrki.ilva \[at\] helsinki.fi](mailto:jyrki.ilva[at]helsinki.fi).

The presentations from the latest NOAF meeting are available here:
